Dear Mr. [REDACTED],

We have received your fax letters of 9.8.2002 and 12.8.2002.

I can confirm that we have a file in our archive on the name of "Gustav Winter". Since this consists to a large extent of correspondence and it has always been our policy to respect the confidentiality of people who write to us, we cannot give permission to look into this file - much less to obtain a copy of it. I can assure you, however, that this file contains no evidence whatsoever that Gustav Winter was involved in Nazi activities.

Hoping to have been of some help to you,

Sincerely,

T. Mergili
